OUTBACK INVITATIONAL

--- DOWN UNDER EXPERIENCE --- JUNE 2023 ---

The Outback Invitational is a one of a kind event combining travel to world's #1 bucket list destination together with an international basketball tournament.

The USA Select teams will take on the club and high school programs across Australia, but the real fun begins after the last shots are made. Explore the history and beauty of the iconic cities of Melbourne and Sydney. Visit the famous Harbor Bridge, hop aboard a harbor ferry past the spectacular views of the Opera House en route to Manly Beach. Feel the sand beneath your feet at Bondi Beach before you take a swim at one of the world's most beautiful beaches. In Melbourne, feel the rush and excitement of an Aussie Rules football game, walk the European style streets and laneways while also taking time out from the tournament to meet the most loveable wildlife residents, kangaroos and koalas. This really is the trip of a lifetime.
